Subject: Hey i know my website sucks , what can we do about it?

"Current sites: www.get####.net , games.#####.net, di#####.net, pimp.*****.net.

I've spent over 10k to develop them and after a short review they suck ... it's true please help me Stoian !!!

Subject: Need to completely redesign my site

"Oh, my GOD! You have a website? Last time it was under construction rite?

I really need complete redesign of www.#####coles.com website.

I think Will require programming and graphic design i'm not sure , last company charged me 12,500 and the quality is deplorable.

Please get back to me ASAP!
